Lyrics: Vera Kaa

<p>Gell du schribsch mer wenn i fort be Verzellsch mer wies so goht Luegsch guet zu de Buebe Gosch ab und zue mol zum Muetti hei Und ja vergiss ned: du besch für d' Musig g'macht Vor allem gib ned uf s'Lebe brucht e lange Schnuf</p> <p>Und ich ha längi Zit, längi Zit Nach dere Zit wo alls no vor eim lit</p> <p>Ihr machet eu viel z'viel Sorge Und am Endi zählt das alles nüt Was meinsch wie hetti soviel chönne erträge Wenn I ned g'lebt hett, voll g'lebt hett im Moment</p> <p>Wie cha mer öpper so vermisse? Fort isch fort. Adieu. Klar lueg i zu de Bube aber die, die werdets scho mache hend ja all öppis vo der. Lut, wild und fröhlich so lut das eus g'hörsch Und ich schrib der dur alli Zite Und ich gebe ned uf</p> <p>Und ich ha längi Zit, längi Zit Nach dere Zit wo alls no voe eim lit</p> <p>Ihr machet eu soviel Sorge Und am Endi zählt das alles nüt. Was meinsch warum han i soviel chönne lache Well Ich g'lebt ha, voll g'lebt ha Im Moment.</p>	<p>Write me when I am gone Tell me how you're getting on Keep your eye on the boys And visit you mother now and then Don't forget, for music you were made And most of all, don't be swayed Life needs a long, deep breath</p> <p>I am longing, longing for that time when all of life still lay ahead</p> <p>You have far too many worries And in the end, they count for naught How do you think I carried all that If I had not lived, lived fully In the moment</p> <p>How can one miss someone so? Gone is gone. Farewell Clearly, I'll care for the boys But those two, they'll make it They have so much of you Loud, wild and joyous So loud you'll hear us clear I will write you through all times And I will never kneel to fear</p> <p>I am longing, longing For that time when all of life still lay ahead</p> <p>You have so many worries And in the end, they count for naught How do you think I could laugh so much If I had not lived fully, lived fully In the moment</p>
