

5) MIR HEND E GSCHICHT / WE HAVE A STORY

Lyrics: Vera Kaa

<p>Ich sitz ufem Sofa d'Sunne schint dur'D Läden. Dur mini Gedanke schint e helle Strahl So viele Geschichten und gar nüt vergeb Solang du bi mir bisch verträg I alls was chunnt</p> <p>Mit dir tanzi Tango, tue dir Hymne singe Laufe dur Schnee und Is nur um dich z'gese Für dich stohn i uf, mit dir wott i alli Täg verbringe Und wenn i allei bi e Huch ha vo dir.</p> <p>Jetzt hemmer es Lied- e Ahnig E Gschicht wo nie verbricht Sing dir es Lied vertrau mir Do isch me als mer jemals werdet g'see</p> <p>Mit dir grab i Löcher, zähle Wolke, lieg is Gras. Erfinde dir Geschichten au eusi immer neu. Nebe dir lauf i Stunde, trink us em gliche Glas Vertrau, das die Welt ned ganz am Bode lit nur uf de Chneu</p> <p>Und wenn i mol go muess schint e Licht dur dini Läden Am Rand vom Himmel us Wolke werdet Gesicht e Huch vo der, e Huch vo mer Und du weisch s' isch gar nüt vergäbe S'isch die Geschichte wo nie verbricht</p>	<p>Sitting on the sofa sun shining through the shutters Through my thoughts beams a ray of light So many stories, and nothing without purpose As long as you're with me I'll bear anything that comes</p> <p>With you I dance tangos and sing to you hymns Walk through snow and ice just to be with you I get up for you and so gladly spend my days And when I am alone, I have a scent of you</p> <p>We have a song, a notion A story that never breaks Sing you a song, believe me There is more than we'll ever see</p> <p>I dig holes with you Count clouds Lie in the grass Create stories for you, even ours, ever anew I walk by your side for hours Drink from the same glass Believe that the world Is not bent to the ground But just down on its knees</p> <p>And when I must go, a light will shine through your shutters On the edge of heaven, our faces in the clouds A whiff of you, a whiff of me And you'll know it has all some deeper purpose A story that will forever persevere.</p>
